

CLASSIC DANCER GIVEN PLACE ON WOMAN'S ACHIEVEMENTS CONGRESS PROGRAM

Progressive women who are holding the Woman's Congress of Women's Achievements in Chicago believe that dancing is an important part of woman's education, and they have given a prominent place on the program to Miss Evan B. Fontaine. Miss Fontaine's greatest achievement is her fantastic Egyptian dance which she calls "Danse des Ombres."

CHOO-CHOO!

Next Saturday at 2 o'clock there will be a wheelbarrow rolling from the court house to the postoffice and return, as a result of the governor's race. Jim Howell, the straw-haired pilot of Route 3, will be a passenger in the barrow, and Fen-

ner Hall—the only Fenner—will furnish the motive power. Don't miss this spectacular stunt—it will be worth coming miles to see.—Geneva (Ala.) Reaper.
